A delightful display of folk dancing was given in the Church-hall, on Saturday, by a team of dancers, including Mr Douglas Kennedy, director of the English Folk Dance Society; Billy Cain, who came over from the Isle of Man especially to give the “Dirk Dance”; and the musicians, Elsie Avril, violin, and Everal de Jersey, piano. The party, which came on from Scunthorpe, was welcomed by Dr Slater, vice-chairman of the Lincolnshire branch. Local arrangements for the display were made by Miss G. M. Godson and members of the Sleaford district, and Dr Slater conducted community singing of carols before the team arrived.
